Celebrating 10 Years of Green Visions

THURSDAY, JULY 14TH, 2022

5:30 PM-9:30 PM | Pont de Rennes Bridge | *Rain Date: July 19th*
Brown's Race Historic District in High Falls

Become an **2022 Dinner on the Bridge: Into the Elements** sponsor! Featuring an elegant dinner and served overlooking High Falls, this year's celebration includes our 10th anniversary of the Green Visions workforce development program, and sharing more on what a sustainably-focused, "*urban state park*" could look like for Rochester.

When you join as a sponsor, you're partnering with us to build a greener Rochester, support local youth, and create a more resilient community for everyone. Your support enables city youth the opportunity to create green spaces throughout our community with training and knowledge on how to run a small business.

We're proud to celebrate our 10 year milestone of Green Visions and strengthening Rochester neighborhoods and look forward to partnering with you to continue our important work to turn High Falls into an urban greenway.

All attendees will enjoy a three-course dinner, cocktails, music, silent auction — plus fireworks and dessert to end the evening.
